

Morpeth RFC Age Grade News

September 2024

Welcome back to Morpeth RFC for what is shaping up to be another busy, fun filled season of rugby. It has been great to see so many of you down on a Sunday and on week nights for training or fixtures.

At Morpeth RFC we run age groups from Under 6s - Under 11s (Boys and Girls). Under 12s - Under 16s (Boys teams) and Under 12s,14s, 16's and Under 18's (Girls teams). Interested in getting involved, get in touch today.

Contact amymoody@live.com

Please remember to support our club by looking after the equipment, grounds and parking within the club and middle school grounds - thank you for your continued support with this.

Check out what we have all been up to here:-

Under 8s

The Under 8s have had a fantastic start to the 24/25 season. We've had excellent numbers every week, with new and old faces coming down with a great attitude. We have been able to pick up from where we left at the end of last season - which is fantastic! In training we're beginning to slowly introduce more complicated drills and games. We are all super excited to begin our fixtures for the season over the next few weeks. A cracking start to the year U8's - amazing!

Under 10s

Under 10's have enjoyed getting back to training after a break over the summer. We have two fabulous new coaches, Daisy and Bob, and some new players too. We have focussed on contact skills introducing rucking and uncontested scrums. The players have really embraced the new rules! We have had a CPD/ training session with Sedbergh School coaches also so our players are raring to go for the first fixture of the season.

Under 11s

Pre- season training started in July. The boys and girls were really keen to get back to it! At present the Under 11's have a squad of 25 and we would like to welcome our new players to the team. We have had two friendly fixtures so far this season with Whitley Bay Rockcliff and Percy Park. Both of which were really good matches.

Congratulations to our players of the week this month:-

Edward Elliott

Alfie Green

Henry Green

Edward Chambers

Logan Kennedy.

The Under 11's continue to train mid week on a Tuesday while we have the light as well as play/ train on a Sunday.

Under 12 Boys

The Under 12s have had a busy preseason. We started with our summer camp and have since trained twice a week. The Under 12's have also had a great opportunity to be part of a training session led by a coach from Sedbergh who was very complimentary about the behaviour and skills of the team. Well done under 12s!!!

We have played our first fixture of the season against a reduced numbers Blyth team. Morpeth showed great sportsmanship throughout. The game was a great fixture showing all the hard work in preseason paying off.

The Under 12s have got a very busy season ahead including a tour in May. Look out for our social and fundraising events to help us out.

Under 13 Boys

Under 13s have had a busy preseason. It started with the summer camp and preseason training in July. The summer camp was well attended and gained lots of positive feedback. A great way to kick off our season. We have concentrated on working on fitness and getting ready for playing on bigger pitches. So far we have played two games this season against Carlisle and Percy Park. Strong and dominant performances put in by the Under 13s on both occasions. A good start to the season with lots more to work on in the coming weeks.

Under 16 Boys

The Under 16s haven't had the start they wanted with results not going our way. The teams we have faced had had more pace which have been difficult to deal with, especially in light of injuries and a smaller squad. However the team have shown great spirit and resilience to keep fighting but we are all aware that this season will require further hardwork and determination for the results to come in.

We are grateful for the chance to be linking up with the colts and their coaches for training which will help with our skills and fitness for the present day and for next season!

Morpeth RFC Girls Section

Under 18's Girls

U18s girls have played their first game as Morethern in their new colours, hosting Penrith, unfortunately the result didn't go our way but the girls really enjoyed playing a competitive fixture, the score was 36-10

Under 16 Girls

U16s have been training hard with a couple of new faces. They have had a training game with Northern which was really beneficial to get some scrum and line out practice in before we get into competitive fixtures.

Under 14's (Valkyries)

The U14s Valkyries have started their season with a joint session and small sided game against North Shields. They even had a trip to see the Red Roses at Twickenham.

Under 12 Girls

We have welcomed a couple of new players this month and we look forward to seeing what these girls can do on a rugby pitch.
